25. Except in the circumstances described in clause 24, this agreement is considered to be written agreement of the Parents for any activity organised and/or supervised by the School, including trips and physical activities, regardless of whether agreement is sought from domestic students in relation to the same activity.
26. Unless otherwise agreed in writing by the parties, this Agreement is considered to be written agreement for leisure travel or stays organised and supervised by the Student's Residential Caregiver where the travel is within New Zealand for a period of not more than seven days and does not result in the Student missing any scheduled school days.

Disciplinary Policy

(Schedule Two)

1. The following is the School's current disciplinary policy for dealing with breaches of the Agreement. This is not intended to restrict the School's general power of discipline and this policy may be changed from time to time at the discretion of the School.

Overview

2. Except in serious situations where immediate termination of the Agreement is necessary, or where the breach does not call for any formal response other than a warning, the School will try, where appropriate, to follow a two-stage disciplinary process.
3. In Stage One, the School will investigate and decide the facts, and will reach a conclusion on what happened and whether it amounts to a breach of the Agreement.
4. In Stage Two, if the School has determined that a breach has occurred, the School will consider the appropriate response to that breach, up to and including termination of the Agreement.
5. The Student will have an opportunity to provide a response to the alleged breach that the School is investigating (**the Allegation**) and any proposed disciplinary action that the School is considering taking (**the Proposed Action**).
6. This policy does not limit the School's power to take appropriate disciplinary action urgently and without following this process if this is necessary having regard to the seriousness of the breach.
7. This policy also does not limit the School's power to suspend the student for the duration of the disciplinary process where suspension is considered necessary for the safety or education of any person.

General Policy

8. When the School is conducting a disciplinary process involving the Student it will aim to provide the Student with the following:
 - (a) a written summary of the Allegation or the Proposed Action;
 - (b) an opportunity to respond to the Allegation or the Proposed Action, either in person or in writing or both, at the choice of the Student;
 - (c) an opportunity to consider the Allegation or the Proposed Action for a reasonable period of time (keeping in mind the seriousness of the Allegation or the Proposed Action) before giving a response;
 - (d) an opportunity to contact their Parent before giving a response, unless the delay caused by contacting that person is unreasonable keeping in mind the seriousness of the Allegation or Proposed Action;
 - (e) an opportunity to have an independent support person of their choice present at any meeting relating to the disciplinary process;
 - (f) an opportunity to meet with that support person in private at any stage during the disciplinary process;
 - (g) an opportunity to have a translator present (or otherwise enable the student to participate in the process in their own language) during any meeting or process if the School or the Student considers that a language barrier means that a translator is required; and
 - (h) a copy of this policy setting out the rights which the Student has when engaging in the disciplinary process.

Disciplinary Procedure

Stage One: Incident Investigation

9. When the School learns of any incident or any other thing that may be a breach of the Agreement or might otherwise require a disciplinary response, the School will notify the Student of the Allegation and will provide the Student with an opportunity to give a response.
